## ARIES

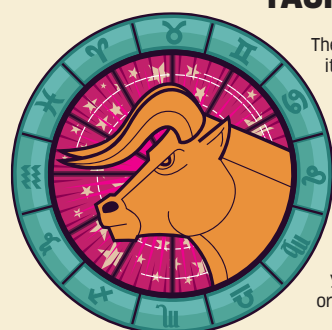

The coming year is likely to be a phase of achievements, efforts and forward movement in the professional area. There is growth, effort and optimism. The Aries-born individuals may find themselves a lot more serious about their work and spend significant time on thinking about how to build a better network, increase income/profitability or improve your image. There may be occasional phases where inertia and laziness take over, but soon, you may be propelled into action. The individuals running a business undertaking or those looking to go the entrepreneurial route, will take significant steps this year. The journey, at times, may seem like a lot of struggle with little returns compared to the input, but keep the efforts going. Impatience to see quick returns and rewards will not help. The money situation is positive, but it is highly unlikely that you feel satisfied with things. Period between April to September and then in December 2021 will bring good outcomes. You may need to be a little careful when it comes to personal relationships as your speech may acquire an edge. You could unwittingly end up annoying loved ones or friends because of sarcastic remarks or harsh speech. Some of the Aries-born individuals may tie the knot this year. Sports people and students may see better outcomes after July.

## LIBRA

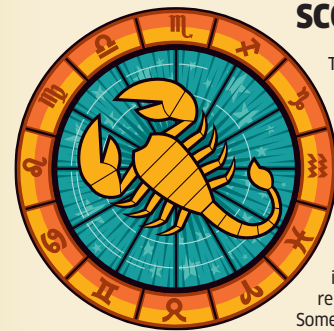

The year 2021 could be a time of mixed results for the Libra individuals. There are a few good developments at work, but there are significant challenges as well. Some days, it may feel like you take one step forward and two steps back! Do understand that this is a period meant for giving you greater depth of character, maturity and empathy. It is simply a phase of learning and these times are not going to stay on forever. The two important things that you need to take care of vis-a-vis your professional life are – one, you need to address any problematic issue or an emotionally disconcerting event, then and there. Do not let it fester. And two, you will need to craft your communication with greater care. Harsh speech will do big damage – more than you could have imagined. This is also a year that will require significant expenditure on repair and renovation. Those dealing with an existing heart condition, digestion issues or respiratory issues need to be extra cautious. Diet control will need to be more stringent as acidity can cause a lot of problems.

## TAURUS

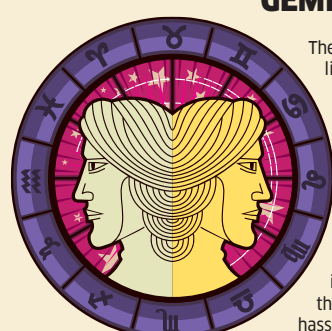

The year 2021 brings mixed results for the Taurus-born individuals. There is increased activity when it comes to work. For individuals engaged in business, there is increased pace of work and slowly, you may see positive outcomes and better interpersonal connections. The one thing to be careful about here is that you find yourself unusually sensitive and an unsavoury remark or feeling of perceived disrespect may cause you to reject an opportunity. The Taurus-born folk working in the field of research and development, design and telecom are likely to do some ground-breaking work or achieve significant distinction in their area of work. Academic activity is highly supported. Some of the Taurus individuals may find their dream of relocating to another country come true during this year. Health improves significantly, but you may need to be mindful about your close, personal relationships as there could be miscommunication and some distancing possible with spouse/partner. Don't let ego issues create rift in relationships that are important to you. Some Taurus-born individuals may be able to buy a new home or a new vehicle. Don't hesitate or shy away from celebrating achievements that mean a lot to you.

## SCORPIO

The year 2021 could be a year of changes in many areas of life for the Scorpio-born individuals. There are intensified efforts when it comes to professional life. You are not happy sitting despite achievements and want to do and achieve more! You look at a new organisation or a new location that may be more rewarding in terms of work. They could be close collaboration with people abroad on an area of interest. There is definite indication of financial situation becoming stronger and more rewarding. An investment made some years ago gives you rich rewards now. The area where you are vulnerable currently is one where external validation seems to make things appear good and lack of it can make everything seem worthless. It is important to cultivate self-belief and consciously engage in self appreciation where deserved. The Scorpio individuals experiencing occasional flashes of memory from a traumatic past should definitely seek help in case it is hampering your moods significantly and also disrupting your functioning. Personal relationships may be a zone where you feel greater dependence on your partner for feeling well. Some of the Scorpios may have a new point of attraction.

## GEMINI

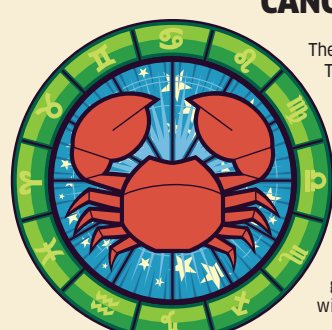

The year 2021 is a lot about new connections, new thinking and breaking your own self-imposed limitations. While these positive outcomes are possible, no change ever came about without its fair share of challenges. There may also be some moments of vulnerability and self-doubt that push you to look within for courage and hope. Some of the Gemini folk may need to stay away from loved ones and family for a longer period than imagined. There is better productivity and satisfaction as you incorporate some changes in your way of functioning. You may have to take some tough decisions at work as well. There are better finances and more disposable income as well, but you strongly crave for a role or a position that gets you respect and acknowledgement of your talent. This could be a challenging time where interpersonal relationships are concerned because of either physical distance or as small issues turn into bigger problems because of miscommunication and ego hassles. It is highly advisable to resolve issues by yourself without involving anyone else. There is the possibility of gain of money or land/immovable property through inheritance. In case of an ongoing dispute, try and resolve matters amicably so that legal hassles and long-drawn cases can be avoided.

## SAGITTARIUS

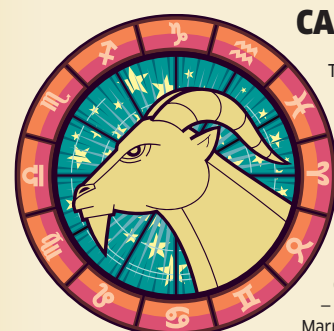

The year 2021 can be period of breakthroughs for the Sagittarius-born individuals. This, despite the odds and difficulties you have been facing every now and then. By now, the Sagittarius folk have cultivated significantly more patience than in the beginning and are willing to play a longer game to get to their goals. The individuals working in the field of banking, finance, telecommunications and design are likely to do very well. There is a deeper and enhanced interest in spiritual pursuits. You work towards your higher purpose as well. This is also a year where you discover a very rewarding friendship and are grateful for the experience. Some of the Sagittarius folks are able to close a long-standing standing loan/debt and this brings tremendous relief. There may be occasional pangs you feel – these are stemming from the past about disturbing events and interactions with your own family that haven't been resolved yet. Sale/purchase of an immovable asset is possible this year. Historians as well as chroniclers will have a field day recording the ongoing events as well as comparing notes with the past, leading to some amazing outcomes.

## CANCER

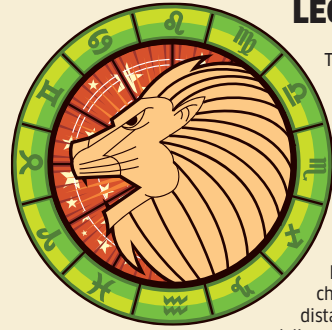

The year 2021 could be a time of sundry challenges and new issues for the Cancer-born individuals. The way the stars are poised, there is a definite strain on your interpersonal relationships – whether personal or professional. You may need to learn to be objective and cultivate practicality in thinking. Being an emotional sign, the slightest hint of tipping of scales can leave you affected. The individuals operating businesses/ventures in a partnership or those who are a part of a family-run enterprise need to be especially careful as hurt feelings can lead to decisions that will have long-lasting impact. You will need to be especially careful from the month of April to September. Some of the Cancer-born individuals may have a hard time, especially as children take wing and move to a different location for higher education. You may rely on your friends for emotional support, but that could fall short of your expectations. Health may be affected on and off – those with a weak heart and digestion need to be cautious. The year 2021 will call upon you to cultivate greater emotional resilience and self-dependence. Home improvement and re-decorating projects will bring happiness to this sign that is all about nurturing and creating warmth.

## CAPRICORN

This is almost indicative of being a hermetic year for the Capricorn-born individuals. There is a palpable introversion and desire to withdraw into one's own space, barring the need where you will have to – for the sake of keeping your profession as well as important interpersonal equations going. It is easy to get convinced about the rightness of your own opinion in a work scenario – this could lead to issues, if you are working with the team. The way the stars are poised, it would be best to seek counsel of a trusted person and bounce off your ideas with them before making a case. You may be disillusioned or nursing a broken heart because of a friendship or an important equation gone awry. It will help to put yourself in the other person's shoes while assessing the complete scenario to get a fair picture. Some of the Capricorn individuals may be excessively attached to their children and may have trouble adjusting to any changes or distance. This is however a period that can be tremendously rewarding in terms of spiritual growth – practices and austerities undertaken during this time can lead to wonderful, tangible outcomes. Marriage and partnerships will need to be handled carefully as small things can suddenly become the root cause of bigger problems.

## LEO

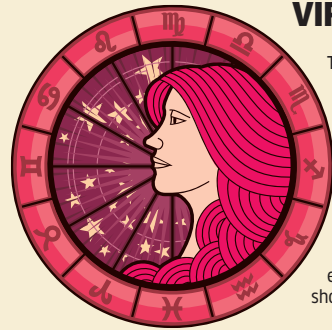

The year 2021 is all about paying attention to your career and giving it a new direction. You may set aside specific goals and a very tangible roadmap to achieve them. There is a strong possibility of a big change when it comes to work – you may need to be quite careful during the first quarter where a change of guard is indicated. Some of the Leos may move to a different role or a different organisation. There could be some episodes where it seems difficult to get along with people in a new environment, causing you to question the choices you have made. However, do not let one or two odd instances demotivate you. There are positive outcomes towards the mid-year and new equations forged as you understand people and their expectations from you in a better way. There could also be a challenge related to health – issues related to cholesterol and nerve health crop up. Some of the Leo-born folk may move to a different location or may have to stay away from home for a significant period of time. Interpersonal relationships can be a challenge. Younger people may be impacted by a disturbed equation between parents or because the distance has increased in some way. It is a year that requires a lot of maturity and patience to handle delicate events. Some of the Leo individuals may find a caring and suitable partner towards mid-year; it is advisable to be a little careful and not jump into making a commitment too soon.

## AQUARIUS

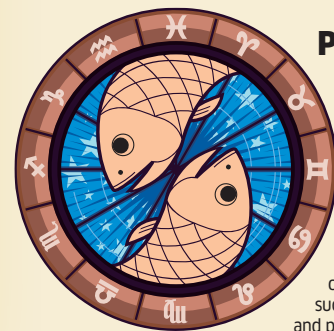

The year 2021 could be a phase where the Aquarius-born individual has to unlearn some things in order to move forward. There could be a change in the professional life. Some of the Aquarius folk may end a run with a particular organisation and join a new job or consider turning into a consultant or an entrepreneur. It is definitely not an easy time. There is a possibility of sleep getting affected and over analysis/overthinking affecting your outlook. It is also quite possible that you withdraw into a shell, isolating yourself. Even if you are working on a solo project, it is important to keep social connections going. There could be some concerns about inflow of money. Some of the Aquarius-born individuals may be concerned about money getting stuck in a property deal. Then there is frustration because of slow pace of paperwork getting done. It will be good to remember that this is not a time for you to display your displeasure or have a temper tantrum as it may only create further delays. There may be a new direction in your career between the months of April and August. You will definitely need to be a little more careful in your equation with superiors or seniors at work and elderly male folk at home. The individuals who have diabetes or blood pressure issues need to pay extra attention to their health. Binge eating or unnecessary expenditure just to manage the mood should be avoided.

## VIRGO

The year 2021 is likely to bring good results for the Virgo-born individuals. There are significant developments where professional life is concerned – there may be opportunities for you to travel or relocate abroad for work. You will need to work on your decision-making capacity as taking too long in deciding or factoring in too many parameters could lead to the opportunity just passing by. There is indication of gain, promotion, increased perks and salary. There is the occasional possibility of office politics and uncharitable remarks being thrown your way, out of jealousy but other than that, it is a year of hope and expansion. Some may be blessed with birth of a child in the family while some others may see a loved, young one grow up and make them proud. Some of the Virgos may look at enrolling for a new course or a long-duration academic commitment. Within the family, it will be important to maintain kind and polite equation with people around, especially with your partner's family. The Virgo individuals experiencing a mental health challenge should not hesitate in seeking help.

## PISCES

The year 2021 looks to be a good phase for the Pisces-born individuals. You are hard working and push at creating more wealth/additional avenues of earning in this time. There may be an occasional crisis of faith or a feeling of dejection with the environment around, but you plod on and are good at motivating yourself, which is rather commendable. There may be a lucrative opportunity for work or a new project, which adds greater status and prestige. This is a year where they could be a major wish fulfillment and financial stability coming in as well. There may be travel abroad – a work offer for an opportunity from a distant place, something that you hadn't expected. This is a good year for family relationships, but those with siblings may have to weather different moods from each other. It will be best not to get the family to take sides or matters can become worse. Students looking at cracking a tough exam have a good chance at success. The Pisces folk working on new technology or an alternative healing technique will do well and possibly receive an honour for their contribution.

### ASTROSPEAK December 27, 2020 – January 2, 2021

**ARIES: MAR 22-APR 20**  
The year closes for you on a note of satisfaction. There has been an intense desire to secure your position in terms of sound finances and investments and much has been achieved. You make plans that help in taking your personal resources to a new level and also showcase your potential. There will be good cheer around you and your close relationships make you feel especially blessed. Some of the Aries folk work on getting emotionally stronger.

**GEMINI: MAY 22-JUNE 21**  
There is a greater focus in your activities and you are more aware of factors that have held you back or have acted as speed-breakers in your progress. There are people who matter a lot to you and you would like to show them appreciation. You are more resolute and determined to move notches higher in your professional life. Financial position is likely to be good and therefore, peace and contentment prevails.

**LEO: JULY 24-AUG 21**  
There may be a lot of things on the anvil where professional life for the Leos is concerned. You could be quite upbeat due to a valuable connection or a wonderful person you may have been networking with. However, it is the end of the year and it will do you good to have a reality check as well as try and convey thanks in some manner to family members, especially the elderly, who have stood by you. You could try and let bygones be bygones.

**LIBRA: SEP 22-OCT 23**  
There is a renewed enthusiasm and you need to sustain it. You have ambitious goals about your career and you will need to keep working steadily to get there. The only hurdle in your path could be self-doubt. As you close the year this week, there will be a positive event and feedback from people that helps you see more hidden and promising layers of your personality. Children will bring much joy.

**SAGITTARIUS: NOV 22-DEC 21**  
There will be great delight as you discover support from your loved ones even for your most ambitious ideas. There will be grand plans that you wish to execute in the coming year. You could be highly ambitious as well as imaginative in this phase. Take care not to offend the sensibilities of others in a social setting. Think before you speak. Also steer clear of any gossip or it will land you in a spot.

**AQUARIUS: JAN 21-FEB 19**  
There may be a lot happening at work and you could be in the middle of deliberations over expansion or tapping resources to facilitate a move. There could be some disagreement at home as your loved ones may have plans that require you to participate or contribute financially. You will do well to share work-related developments or stressors, so that there is more understanding. Don't allow your work issues dictate the terms of your relationships.

**TAURUS: APR 21-MAY 21**  
The coming week could be introspective where you go through the positives and the setbacks of the past year. You will need to be a little more patient and kind to your own self. There are financial worries, but things will soon become better. Ambitions will soar once again and you may have some big plans up your sleeve. There will be hard work as well as determination from your end to make it happen. Spiritual restlessness will plague you, but will keep you moving towards the better path.

**CANCER: JUNE 22-JULY 23**  
The coming week is likely to see a more balanced and an optimistic you. There have been some setbacks and mixed feelings prevailing for some time, but there is faith as well as determination in you to come out on top of things. There will be some good times spent with people you value. There could be a short distance travel too. You will need to keep your focus on work and try to make the best of things even when times don't roll too smoothly. Don't engage with someone who is looking for a fight.

**VIRGO: AUG 22-SEP 21**  
There has been a lot that has happened this year in your life – some of it good and some of it utterly forgettable. You will need to drive your attention towards two sides in particular. You need to take on a healthier lifestyle as ignoring the state of health and giving in to unhealthy habits, especially with respect to food, will not get you anywhere. You will also need to work up sound plans to consolidate your financial position.

**SCORPIO: OCT 24-NOV 21**  
You could be in a gratitude mode this week, giving the almighty thanks for all your blessings. You go all out and express thanks to people who you think have helped you. Spiritual grounding will be the factor that gives you a content feeling despite the events of the year gone by. You will need to address any resentment with a completely open and objective thinking. Moving on is a tough task, but that is where your real victory lies.

**CAPRICORN: DEC 22-JAN 20**  
It is a fun time for the individuals born under this sign of the zodiac. You will be full of new ideas but even more than that, having a good time will be the primary thing on your mind. You have worked hard and achieved much and you think you deserve to have a small break. There may be expenses galore, but you manage to tackle it all effectively. A small get together could be on cards. Do make preparations in advance, else there could be last minute stress spoiling things.

**PISCES: FEB 20-MAR 21**  
This week is mostly about two themes. You will have to keep your mood swings in check. You will be a part of many social-dos and you will have to handle your tendency to go into a spiral. Also, allow your focus to centre on financial security, but don't allow it to become the singular important and overriding thing in your life. There may be some tension in the air, where extended family and relatives are concerned. Do your bit and forget the rest.
